

Dear Last Conservative,

You guys were so amazing when you came to our school! All of Depew High School would just like to say thank you so much. That was really cool of you guys to come to our school. Your songs were very true and I think a lot of people from our school could really understand them and agree with them. If you don't have friends to talk to, then you can end up having a lot of trouble throughout your (hopefully) four years in high school. I can personally say that I have no idea where I would be or what I would be doing without my friends.

I know that everyone here at Depew really appreciated your concert. It is really great that you guys were so nice when we met you. I know that you will have a lot of new fans for life! Thank you again for coming to our school. You were all awesome! We all hope that you will come back to our school again very soon!

Thanks again,  
Debbie Sobczynski  
and everyone from Depew High School
