Dear Ms. Bottecelli,

On behalf of everyone associated with the Renaissance Campus and Kids Escaping Drugs Campaign, please accept our heartfelt appreciation for brining the Music is Art High School Awareness Tour to the Renaissance Campus.

Last Conservative and Agent Me were fantastic. The kids truly appreciated them taking time out of their scheduled to play for such a small group on the Renaissance Campus. We are so honored that you and Robbie and the bands take the time to show our kids you care with everything else you have going on. I've enclosed some thank-you notes from the kids, please share them with the bands. To a person, they could not have been nicer and I think the kids comments reflect that.

Again, thanks so very much!

Best,

Stacy Roeder  
Director of Community/Media Relations
