

I came to Depew in the 9th Grade. I was in
nolic school all my life. My parents couldn't
ord to send 4 kids to a Catholic High school,
they sent me here to Depew High School.
I have a twin named Adam, ~~and~~ an older
brother named Andrew, and a younger
sister named Jennifer. I just wanted
let you know that I appreciate you talking
out bullying and how it's wrong, because
it happened to me throughout my whole
life. It means a lot to know that
you really care. Thanks.

5 - even though I didn't
know it I thought you
