Dear Last Conservative,

I would like to thank you for coming to our school last week. It was a great break from our regular school day. I didn't have to worry about my next class I could just relax. I enjoyed your music and I had a lot of fun. I appreciated that you took the time out of your day to come and play at our school, Depew High. It was great that you came to play at our school but more importantly was the message that you sent out to everyone in the school. The message that you sent out was to be considerate to your fellow classmates and yourself. Respect one another and respect people as who they are. Don't judge someone by what they look like on the outside but who they are on the inside. Also be respectful to yourself. If you or a friend are in trouble get help. There is always someone out there who would be galdly to help you. If you're in trouble find something you can get interested in. Your music was very inspiring. Music is an art and a lifestyle that can send an important message to anyone who listens.

Thank you very much,
Lauren Z.
