Dear Denise:

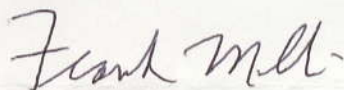

Please convey to the band members and stage crew of The Last Conservative our heartfelt thanks for a wonderful performance at our school this past Tuesday.

Students and staff thoroughly enjoyed the music. The message was up beat and positive without being preachy – perfect for the teenage audience.

I am wondering if we can book another concert next year for our Student Recognition Assembly.

I will call to discuss dates for next year's performance.

Sincerely,

Frank Movalli  
Principal
