Dear Music is Art Foundation,

We would like to take this opportunity to thank you for the outstanding assembly performed by the band Last Conservative to our student body on Friday, May 13, 2005. As members of the Character Education Committee, our goal is to teach students positive values. The assembly concentrated on personal responsibility and the importance of music. It was obvious that the students understood the message, and therefore, successfully met our goal. The students, faculty, and staff praised the program as one of the best assemblies the school has ever had.

The band Last Conservative was wonderful to the students of the school. They were interviewed for video yearbook and answered questions to students in class without a complaint. Their positive comments, insights, and message during the assembly and in classrooms were a wonderful teaching tool for teachers to teach about positive values. The band members really seemed to care for the well being of the students; and therefore, the students learned much from the band. The band performed an outstanding stage show and many students and faculty instantly became fans.

Once again, we thank you for the outstanding assembly performed by Last Conservative. It was a wonderful opportunity for students to learn the importance of music and many other positive values. Please contact us at 631-7481 if you have any questions or concerns. Thank you again!

Sincerely,

The Maryvale Senior High School Character Education Committee
