THANK YOU so much for a great day. My co-workers were very pleased with the results of the program teaching communication and tolerance; plus many enjoyed the concert too. Student reaction has been positive. They were satisfied that a special assembly was planned for them that was more fun than they originally expected. I was glad to view how well TJ, Dave, Tom, and Josh all connected with the students. It was great to see the students enjoying the concert and talking with the band members afterwards.

As for future events, I hope to plan a concert/dance on Friday, October 21, 2005 with your band Last Conservative. Once I have more details I will contact you.

Thanks again from a new Last Conservative FAN!
